About Pioneer Credit

Pioneer is an Australian financial services provider, specialising in acquiring and servicing unsecured retail debt portfolios. These portfolios consist of people with financial obligations to Pioneer. These people become the cornerstone of Pioneer's business and are our customers.

We work closely with our customers who – for a range of reasons – have found themselves in financial difficulty. In a vast proportion of cases this has come about through a major life event such as loss of job, significant health issues, marriage breakdown or domestic violence.

A key goal at Pioneer as it works with its customers is to see them progress towards financial recovery, and through this process evolve as a 'new consumer'.
